Methodology and Disclaimer: This data is based on information from the LAS VEGAS REALTORS® (LVR) Multiple Listing Service (MLS). This

information is deemed reliable but is not guaranteed. MLS collects, compiles and distributes information about homes listed for sale by its subscribers who are real estate agents. MLS subscription is available to all real estate agents licensed in Nevada, but is not available to the general public. Not all licensed agents subscribe to the MLS. MLS does not include all new homes available or listings from non-MLS agents, nor does it include properties for sale by owner.

Definitions:

Units Sold: Actual closings/recordings (not contracts) during the reporting period

New Listings: Units that were initially listed in the MLS for sale during the reporting period

Availability: The number of units available at the end of the reporting period

Availability Including Offers: Units listed as available that have pending or contingent offers in place

Availability Excluding Offers: Units listed as available that do not have any pending or contingent offers in place

Effective Months of Inventory: Reflects the number of units available (excluding offers) divided by the number of sales during the reporting period
